

**Pain from
rheumatoid arthritis
can keep you
from doing the
things you
love.**

**Do you continue
to have pain due to
rheumatoid arthritis despite of
your current treatment(s)?**

A Possible New Treatment

You may be eligible for a clinical trial testing a new medication that may help lessen the pain from your rheumatoid arthritis.

Who can Participate?

You may be able to participate in the trial if you meet the following criteria:

- You are at least 40 years old and not older than 75.
- You are diagnosed with rheumatoid arthritis.
- Your current treatments are not very effective for your knee pain.
